# Save your medical funds

CareGuard saves you an average of 28% off the pricing in your settlement projection.

CareGuard secures discounts on your medical bills so you can save your money to pass on to your family, estate or beneficiaries.

**How do we do this?** We review every bill searching for savings and we have agreements with many healthcare networks to reduce costs to you.

The CareGuard card works like a traditional insurance card, simply show your CareGuard card at your provider's office or pharmacy. CareGuard has no copays or extra charges.

# How? With CareGuard

CareGuard puts a team of healthcare advocates at your side.

At CareGuard, we do everything we can to make sure you get the medical treatment you need. You will have access to some of the nation's best doctor and pharmaceutical networks.

If you have a Medicare Set Aside, we ensure every treatment is related to your injury to guarantee 100% compliance with Medicare's guidelines.
